

New ADRIO Benefit: Health Plus™ Insurance for Full Members

Dear Full Members,

I am delighted to introduce the new ADRIO health insurance plan, our first for Ontario and newest membership benefit for full members.

We have chosen Health Plus™ because it offers excellent value – superior coverage, favourable rates and unique to the ADRIO plan, preferred pricing for our full members on a leading edge healthcare test. Our Health Plus™ plan is designed specifically for self-employed professionals, business owners and freelancers, and is only available from our independent broker Loran Insurance, experts in quality affordable benefits for small businesses.

We welcome Loran as a professional resource for our full members. In addition to Health Plus™, you also have access to expert advice on other insurance including life, critical illness and disability.

Here are some of the highlights of our new plan, a link to the Health Plus™ website and contact information for Loran. We're excited to offer ADRIO Health Plus™ and encourage you to take a look.

Sincerely,

Susette Clunis
Executive Director

Highlights
