

ADR Institute of Ontario

Mediator Mastermind is a peer-to-peer mentoring and coaching group that allows members to address their challenges with input and advice from the other group members.

This will also be a group devoted to learning and improving practices through discussion of articles, books and fact-scenarios.

The topic for this upcoming session:

Offering your Assessment: Assisting the Parties to take a second look at both their position and the other side's position.

A mediator's role is helping parties evaluate interests and positions differently. We are not employed to just be messengers. This Mastermind session will discuss if, why, when, and how to offer your assessment to help parties see things differently.

Come prepared to ask questions and share your own tips and experiences!

Attend in-person or via webinar!
