

# Member Appreciation

Thank you for another fantastic membership year!

Join us in honouring our President's Circle Members and 2025  
ADRIO Star Award Recipients

December 11, 1:00pm – 2:00pm, Online | All members are invited to attend for free. Advance Registration Required.

## You are the heart of ADRIO.

At ADRIO, we believe that connection is the foundation of growth, and it's *you*, our members, who make this community a place where people can learn, lead, and truly flourish.

For more than thirty years, ADRIO has been a trusted space for people across Ontario and beyond who are committed to helping people resolve conflict, leading with courage, and supporting one another through the often-complex work we do. From students just starting their journey, to practitioners refining their craft, to long-time leaders in the field, we are united by a shared commitment to the principles of ADR ethics and best practices, and to each other. Our community is our strength.

**On December 11, we invite you to come together for our eighth-annual Member Appreciation Event. This will be a celebration of the passion, purpose, and people that drive us forward.**

We'll be honouring our President's Circle Members for over two decades of membership engagement with ADRIO, and recognizing the incredible volunteers who are receiving this year's ADRIO Star Awards. Those in attendance will also be hearing directly from our President, Jeff Donnelly, and the ADRIO staff team as we celebrate some of the most notable successes of 2025!

*This event is open to all. Feel free to forward this invitation to your colleagues! Advance registration is required.*
