

Online Speed Mentoring & Networking

What was the one step that made all the difference?

Enrich your Practice. Learn from leaders who have excelled in their ADR Careers for many years. | August 27, 5:00pm – 7:15pm Online | 4 CEE Points

Our eighth-annual Speed Mentoring and Networking event amplifies the theme, **"The One Step that Made All the Difference."**

This evening networking program, with a highly experienced and well-credentialed faculty of ADR Practitioners from multifaceted professional backgrounds, will provide participants with a unique opportunity to learn and network in a focused and small group setting. Come prepared to ask questions about professional growth, career development, designations, practice management, strategies to improve professional visibility as well as ADRIO membership and much more. Participants will be given the opportunity to meet and talk with each mentor by the end of the event.

This online session is part of *ADRIO's 2026 Aspiring ADR Practitioners Week (Aug 24-28)*, a full week of initiatives designed for emerging ADR professionals, new practitioners, recent graduates and students.

Registration
